NOTICE OF DECISION
SOUTH KINGSTOWN ZONING BOARD OF REVIEW

The following motion, made by Mr. Daniels and duly seconded by Ms. Hicks
Motion passed unanimously: Vote 5-0

At a meeting held on November 16, 2022 regarding the Petition of Eric Posillo Builders, 120 Matthius Lane, Charlestown RI 02813 for a Special Use Permit under the Zoning Ordinance as follows: The applicant is seeking to replace the existing seasona cottage of 338 square feet with a new cottage of 483 square feet. The cottage will include two (2) porches each consisting of 100 square feet in area. Lot size is 50.2 acres. A Special Use Permit is required per Zoning Ordinance Section 203 (Special Use Permit for Addition, Enlargement, Expansion, or Intensification), Section 608 (Coastal Community Overlay District) and Section 907 (Standards of Relief).

Owners of cottage 14EC15 are Norman & Robyn Coady on property owned by Matunuck Beach Properties Inc, located at 240 Cards Pond Road, South Kingstown, Assessor’s Map 92-1, Lot 9-159 and is zoned R200.

The following individuals spoke as representatives of the applicant:
- Eric Posillo, applicant

There was no one present who spoke either in favor of or opposition to the petition.

The following materials were entered into the record:
- Application signed and dated September 12, 2022; Owner Authorization signed and notarized September 14, 2022; Cross Section (1 page); Proposed and Current Site Conditions (1 page); Elevations (1 page); Vision Appraisal Field Card (1 page); Web GIS Aerial Photo (1 page); Proposed Floor Plan (1 page)
- 200' Radius Map and Abutter's List; Legal Notice; Proof of Certified Mailings and Notarized Affidavit of Mailing
- Authorization letter from Robyn Coady dated November 16, 2022

Findings of Fact:

1. The Board finds that the special use is specifically authorized by this Ordinance, because a Special Use Permit is required per Zoning Ordinance Section 203 (Special Use Permit for Addition, Enlargement, Expansion, or Intensification), Section 608 (Coastal Community Overlay District) and Section 907 (Standards of Relief).

2. The Board finds that the special use meets all of the criteria set forth in the subsection of this Ordinance authorizing such special use, because there are no unusual circumstances regarding the tear down and replacement of the existing cottage.
3. The Board finds that granting of the special use permit will not alter the general character of the surrounding area or impair the intent or purpose of this Ordinance or the Comprehensive Plan of the Town. In so doing, the Board has considered whether or not satisfactory provisions and arrangements have been or will be made concerning, but not limited to the following matters, where applicable:

(i) Ingress and egress to the lot and to existing or proposed structures thereon with particular reference to automotive and pedestrian safety and convenience, traffic flow and control, and access in case of fire, emergency, or catastrophe; ingress and egress is existing and will remain the same.

(ii) Off-street parking and loading areas where required, with particular attention to the items in subsection A.1., above, and the noise, glare, or odor effects of the special use permit on adjoining lots; not applicable, parking will remain the same and there will be no noise, glare, or odor effects.

(iii) Trash, storage, and delivery areas with a particular reference to the items in (i) and (ii) above; not applicable, already existing.

(iv) Utilities, with reference to locations, availability, and compatibility; the utilities are existing and will be tied into the new structures.

(v) Screening and buffering with reference to type, dimensions, and character; not applicable.

(vi) Signs, if any, and exterior lighting with reference to glare, traffic safety, and compatibility and harmony with lots in the zoning district; not applicable.

(vii) Required yards and other open space; not applicable.

(viii) General compatibility with lots in the same or abutting zoning districts because the existing cottage is in poor condition and the proposed cottage will fit in well within the summer community.

Approval is conditional subject to the following conditions:
- There are no conditions upon this decision.

Respectfully,
