Re: Water availability at 12 - 18 Green Street, Wakefield**

This letter is to inform you that water service is available at the above referenced location at **12-18 Green Street, Wakefield, Rhode Island** using a projected max daily demand of 4,140 GPD from the Veolia Water Rhode Island (VWRI) system. Will be subject to the following conditions:

- 1) Prior to the installation of any services or the extension of any mains, hydraulic data pertinent to the project must be provided to us for our Engineering Department review and approval.
- 2) If, as a result of such review it is decided that any extension of mains or pipes or modification of other facilities is required in order to meet the hydraulic needs of the project, those mains or facilities will be installed or extended by you in accordance with the terms and conditions of this Company's standard agreements for extensions.
- 3) Service will be provided in accordance with the terms and conditions set forth in the Company's filed Tariff, as amended or modified from time to time.
- 4) Water mains shall be laid in accordance with the Recommended Standards for Water Works (a.k.a. Ten State Standards).

This Willingness to Serve letter is contingent upon Veolia Water Rhode Island having County, State and Federal regulatory authority to provide the requested water service and is valid for nine (9) months from the date of issuance. If the main/extension or service installation is not completed and approved by Veolia Water Rhode Island within the nine (9) months from the date this letter is issued, this Willingness to Serve letter will expire, and it will be necessary for you to request a new willingness to serve letter.

Please contact me at 401-228-5912 or Michael McManus, Planning Coordinator at (401) 287-2338 if you need additional information.

Respectfully,
Patrick Grant, Superintendent
