**Re: 571 Main Street / Roland Fiore
A.P. 56-3, Lot 137**

Dear Members of the Planning Board:

The Applicant respectfully requests a continuance of the public hearing to the next regularly scheduled Planning Board meeting in January, 2025. The Applicant intends to present a modified development proposal to address comments received during the initial public hearing. The modifications require additional time to complete a revised set of engineering plans to support the modifications. In connection with this request, the Applicant also consents to an extension of applicable deadlines to accommodate the extension.

We appreciate the Planning Board's consideration of this request.

Sincerely,

Matthew J. Landry, Esq.
