**ARTICLE 2

- 2.1 The Town hereby recognizes the South Kingstown Municipal Employees Association, National Education Association Rhode Island, as the sole and exclusive bargaining agent for all employees in the positions as set forth in the Certification of Representatives, EE-3626, and as amended.
- 2.2 Nondiscrimination. The parties agree not to discriminate in any way against employees covered by this Agreement on account of race, religion, creed, color, sex, age, marital status, political belief, country of ancestral origin, sexual orientation, union activity, union membership or non-union membership.
- 2.3 Union Security and Dues Deduction
- a. All employees covered by this Agreement and who are members of the Union on the effective date of this Agreement shall remain members of the Union in good standing for the life of this Agreement.
 - b. All employees covered by this Agreement and who have not or do not make application for membership, shall, as a condition of employment, pay to the Union each month a service charge as contribution toward the administration of this Agreement in an amount equal to or less than the regular monthly dues. Employees who fail to comply with this Agreement shall be discharged by the Employer within thirty (30) days after receipt of written notice to the Employer from the Union.
 - c. The Union agrees to indemnify and hold the Town harmless against any and all claims, suits, orders and judgments brought or issued against the Town as a result of any action taken by the Town under the provisions of this Article.
 - d. The Town agrees to the adoption of a Union check-off system whereby Union dues will be withheld from the Union member's pay upon written authorization of the individual employee, until such time as such authorization is revoked at source, in equal amounts from each pay, either biweekly, or otherwise, as the frequency of the pay period may require. Such withholdings are to be transmitted to the duly elected Treasurer of the Union for the previous month's earnings, not later than the 29th day of each successive month.
 - e. The Union will notify the Town within thirty (30) days prior to any change in the amount of Union dues.

- f. A written list of Union officers and representatives shall be furnished to the Town immediately after designation, and the Union shall immediately notify the Town of any changes therein.

**ARTICLE 3
SAVINGS CLAUSE**

- 3.1 Should any provision of this Agreement be found to be in violation of any Federal or State Law by a court of competent jurisdiction, all other provisions of the Agreement shall remain in full force and effect for the duration of this Agreement.

**ARTICLE 4
SENIORITY**

4.1 Definition and Term

- a. Seniority shall be defined as the total length of continuous service with the Employer in a bargaining unit position and shall begin to accrue following completion of the probationary period. Seniority shall be prorated for part-time service. Upon completion of the probationary period, seniority shall be based upon the employee's first day of work in the bargaining unit. If an employee held a temporary appointment prior to commencing the probationary period and there was no break in service between the temporary appointment and the commencement of the probationary period, seniority shall be based on the first day of work in the temporary appointment.
- b. An employee who leaves the bargaining unit for a non-bargaining unit position with the Town, and then subsequently returns to a bargaining unit position, shall retain the seniority previously accrued in the bargaining unit. No seniority shall accrue while in a non-bargaining unit position.
- c. Probationary period. Individuals shall be considered on probation for six months after the first day of employment in their position (classification) and the Town shall have complete discretion during the probationary period to determine whether or not to retain any individual for any reason.

An employee hired for a position for which state certification/license is required, shall serve a six month probationary period. In the event such an employee does not procure the required state certification/license by the end of the probationary period, the employee shall remain on a limited probationary period related to procurement of the state certification/license only. Such limited probationary period shall be extended until the receipt of the results of the next regularly scheduled test, but in no event more than six months beyond the end of the regular probationary period, unless otherwise agreed by the parties. Failure to procure the state certification/license shall be grounds for discharge, which shall not be subject to the grievance procedure. An employee retained after the probationary period shall acquire seniority status dating from the first day of employment in their position. The Town, with the agreement of the affected employee and Union, may extend the probationary period. Employees hired on the same day shall be assigned relative seniority at random by lottery.

4.2 Layoffs and Recall

a. In the event that a layoff is necessary, employees shall be laid off in the affected classification(s) in reverse order of seniority. Within a classification, an employee identified for layoff shall bump the least senior employee in said classification if senior to that employee. An employee notified of layoff may elect to bump into a classification which he/she previously held, and shall bump the least senior employee in that classification so long as senior to that employee. An employee notified of layoff shall have five (5) days to decide if he/she wishes to bump or take layoff.

b. Employees on layoff shall be entitled to recall as follows:

- (1) completion of 6 months - completion of 2 years of employment: 1 year
- (2) beginning 3rd year - completion of 6 years of employment: 2 years
- (3) beginning of 6th year or more: 3 years

Any employee with five (5) years of service or more who is laid off shall continue to receive health insurance from the Town under the same terms (co-share, copayments, level of benefits, etc.) as current employees receive/pay for a period of two (2) months following layoff and commencing with the first of the month following layoff.

c. When a position becomes available which was previously held by an employee on the recall list, that employee shall be recalled. If more than one employee on the recall list held the position, recall shall be by seniority.

d. Notice of recall shall be sent to the employee by certified mail. Within 5 calendar days of receipt of the notice of recall, the employee must notify the Town of intention to accept the recall. Within 14 calendar days of notifying the Town of intention to accept the recall, the employee must return to Town employ. The Town shall be deemed to have fulfilled its obligations by mailing the recall notice by certified mail to the mailing address provided by the employee, who shall have the obligation to inform the Town of latest mailing address.

e. If a position becomes available which was not previously held by any employee on the recall list, all employees on the recall list will be notified of the vacancy, and may submit a letter of interest within the stated time period. The most senior employee on the recall list who is qualified for the position shall be appointed.

f. Seniority shall be cumulative during periods of layoff, during periods of maternity/parental leave, and during periods of sick leave without pay. Seniority shall not be cumulative during all other leaves without pay.

4.3 Termination of Seniority

a. Seniority will be terminated in the event of:

- (1) Failure to accept recall or to report to work in accordance with Section 2 above;

- (2) Voluntary quit;
- (3) Discharge for just cause;
- (4) Layoff for a period exceeding the period during which an employee has recall rights;

Any member who believes that his/her date of seniority is inaccurate shall bring this to the attention of the Union President, who shall meet with the Manager or his designee to resolve the matter. If unsuccessful, the dispute shall be submitted to the grievance procedure. Thereafter, an updated seniority list shall be posted annually, and a copy forwarded to the Union President.
