Subject: Lavender Waves Farm Planning Application Meeting June 23, 2020
Date: Tuesday, June 23, 2020 3:18:25 PM

Good afternoon,

Thank you for speaking with me earlier today. As I indicated, I represent Henry and Jackie Thacher with respect to the above application. It is my understanding that Attorney Kenyon will be requesting a continuance in order to allow for the applicant and the abutters to discuss this particular application in greater detail. The private ROW is apparently the subject of some confusion and my clients and other neighbors are concerned about the recent appearance of "one-way" signs.

I am hopeful that all issues can be amicably resolved by parties during the one month continuance.

Regards,

Cathy
