This approval is based upon the following Findings of Fact and Conditions of Approval:

Findings of Fact

A. The granting of approval will not result in conditions inimical to the public health, safety, and welfare.

B. With the required Conditions of Approval, the granting of such approval will not substantially or permanently injure the appropriate use of the property in the surrounding area or zoning district.

C. With the required Conditions of Approval, the plans for the project comply with all the requirements of the Zoning Ordinance and the Subdivision and Land Development Regulations.

D. The plans for the project are consistent with the Comprehensive Community Plan.

E. Any conditions or restrictions that are necessary to ensure that these findings have been met have been incorporated into this approval.

F. Route 108 is a unique corridor that connects to the University of Rhode Island and as it relates to the applicants traffic analysis it should be noted that the analysis was undertaken during a worldwide pandemic (Covid-19) and there could be a slight variance to the analysis that remains in a post Covid-19 World.

Conditions of Approval

1. Approval is conditioned upon the applicant obtaining the required Special Use Permit for the proposed use from the Zoning Board of Review.

2. Development of the site shall be in strict conformance with the approved site plan and supplemental lighting and architectural plans, unless amended by these Conditions of Approval.

3. The applicant shall obtain all required local and State permits prior to commencing construction and/or installation of site improvements.

4. Any proposed signage must comply with the requirements established by Article 8 of the Town of South Kingstown Zoning Ordinance.
   a. Except that any proposed street sign shall be ground mounted with white background (opaque backing) and blacking lettering and externally illuminated. An internally lighted sign and/or transparent backing is prohibited.
   b. Except that any proposed building signage as depicted in the applicants submitted elevations, shall be modify in a manner that reduces the overall bulk (appearance) of the letters by either reducing the font size or providing a thinner letter type.

5. The applicant shall modify the proposed elevations to include 2’ banding (architectural detail) around the entire building as depicted in Attachment A.

6. The proposed double hung windows depicted on the submitted building elevations shall actually replicate traditional double hung windows and shall not be plated glass with faux stiles and muntins (these elements must have external dimensional relief).

7. The applicant shall modify the proposed chain link fence dumpster enclosure to a solid fence to match proposed architecture of building. In addition the applicant shall provide a solid fence enclosure to screen store racking and/or other store related items stored outside.
8. The applicant shall modify the site plan to replace the proposed stamped concrete areas depicted on the plans with either Grass Pave II or natural granite Belgian block material.

9. The applicant shall modify the proposed landscape plan by: replacing proposed Armstrong Gold Maple trees (Six total) with either Acer rubrum ‘October Glory’, Acer rubrum ‘Sunset Maple’ or ‘acer rubrum ‘Autumn Blaze’.

10. The applicant shall modify the proposed landscape plan to include a 2’ sod strip around the proposed planting beds within the northern parking bays (adjacent to the building and on the northern side).

11. Prior to any request for a Certificate of Occupancy, a RI registered Professional Engineer shall inspect the installation of site improvements and shall submit certification to the Administrative Officer of the Planning Board that the construction conforms to the approved plans.

12. Prior to any request for a Certificate of Occupancy, a RI licensed Landscape Architect shall inspect the installation of the landscape improvements and submit certification to the Administrative Officer of the Planning Board that the installation substantially conforms to the approved plan and the planting standards of the South Kingstown Subdivision and Land Development Regulations.

13. The applicant shall guarantee all landscape materials depicted on the approved plan set for a period of one (1) year from the date of planting.

Said motion, made by Ms. Mack and duly seconded by Mr. DiStefano, passed unanimously 7-0 (S. Axelrod; S. DiMasi; P. DiStefano; P. Jordan; M. Mack; J. Murphy; P. Rubino).

In accordance with Section 505.1.D.3 of the Town of South Kingstown Zoning Ordinance, any party aggrieved by this decision shall have the right to appeal this decision to the Planning Board of Appeals in accordance with the procedure set forth in Article XII of the Subdivision and Land Development Regulations. The appeal must be taken within twenty (20) days of the day the decision is recorded and posted in the Town Clerk’s Office.

Respectfully,

F. Steven DiMasi, Chair
Planning Board
